h. Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State via the Planning Inspectorate under Section 78 of the Town and Country Act 1990.

There are varying time periods in which to make an appeal, which are:

Advertisement consent application - within 8 weeks from receipt of the decision notice

Refusal of a householder planning application or a 'minor commercial' development application - within 12 weeks from the date on the decision notice

Listed Building Consent application and any other types of application - within 6 months from the date on the decision notice

Discontinuance Notice – appeal **must** be received by Planning Inspectorate **before** the effective date of the notice

Certificate of Lawful Use or Development - No time limit

Non determination of applications – Appeal can be made any time within 6 months (**with the exception of advertisement consent applications for which appeals must be made within 28 days**) from the date which the local planning authority had to determine the application (13 weeks for major or 8 weeks for minor unless an extended period of time had been previously agreed)

If an **enforcement notice** is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you **must** do so within 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of the notice, whichever period expires earlier.

For further details of how and when to appeal, including the varying time periods in which to make an appeal, please see the Procedural Guide issued by the Planning Inspectorate which can be found at <https://www.gov.uk/government/publications/planning-appeals-procedural-guide>

i. Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council of the District or London Borough in which the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Act 1990.

j. Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Act 1990.
