**DESCRIPTION OF PROPOSED DEVELOPMENT EPF/1115/19**

Proposed two storey rear and side extension with new roof and accommodation in loft with roof lights, garage conversion to habitable room and new crossover. \*Amended Plans\*

**VIEWS OF TOWN COUNCIL:** Objection

**PLEASE STATE REASONS FOR VIEWS GIVEN ABOVE:**

The committee believes this to be overdevelopment of the site. Concerns were also raised regarding pedestrian and road safety regarding the double crossover. The committee also believes that works have already been undertaken on an external outbuilding without planning permission.
