Proposal: Erection of x 2 no. detached dwellings complete with access, parking, gardens and infrastructure.

Location: Land adjacent The Fox Inn PH, Harlow Road, Matching Tye, Essex, CM17 0QS

In pursuance of the powers exercised by the Local Planning Authority this Council do hereby give notice of their decision to **GRANT PERMISSION** for the development described above, subject to compliance with the conditions listed below.

NB: THIS PERMISSION IS SUBJECT TO A LEGAL AGREEMENT SIGNED 18th November 2021

Signed

A handwritten signature in black ink, appearing to read 'N. Richardson'.

N. Richardson
Planning Services Director.

Date: 09 March 2022

Conditions:

1. The development hereby permitted must be begun not later than the expiration of three years beginning with the date of this notice.

Reason:- To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 (as amended).

TOWN AND COUNTRY PLANNING ACT 1990
Town and Country Planning (Development Management
Procedure) Order 2010
PLANNING DECISION NOTICE

- 2 The development hereby permitted will be completed strictly in accordance with the approved drawings nos: 98718.01 REV.F; 98718.02 REV.A and 98718.03 REV.A.

Reason: To ensure the proposal is built in accordance with the approved drawings.

- 3 Samples of the types and colours of the external finishes shall be submitted to and approved by the Local Planning Authority in writing prior to their use on site. The development shall be implemented in accordance with such approved details. For the purposes of this condition, the samples shall only be made available for inspection by the Local Planning Authority at the planning application site itself.

Reason:- To ensure a satisfactory appearance to the development, in accordance with policies DBE10 [or DBE1 if structure is not a residential extension], HC6 and HC7 of the adopted Local Plan and Alterations 1998 & 2006, policy DM7 of the Local Plan Submission Version 2017, and the NPPF 2019.

- 4 No development shall commence until an assessment of the risks posed by any contamination, carried out in accordance with British Standard BS 10175: Investigation of potentially contaminated sites - Code of Practice and the Environment Agency's Model Procedures for the Management of Land Contamination (CLR 11) (or equivalent British Standard and Model Procedures if replaced), shall have been submitted to and approved in writing by the local planning authority. If any contamination is found, a report specifying the measures to be taken, including the timescale, to remediate the site to render it suitable for the approved development shall be submitted to and approved in writing by the local planning authority. The site shall be remediated in accordance with the approved measures and timescale and a verification report shall be submitted to and approved in writing by the local planning authority. If, during the course of development, any contamination is found which has not been previously identified, work shall be suspended and additional measures for its remediation shall be submitted to and approved in writing by the local planning authority. The remediation of the site shall incorporate the approved additional measures and a verification report for all the remediation works shall be submitted to the local planning authority within 21 days of the report being completed and approved in writing by the local planning authority.

Reason:- To ensure the risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors, in accordance with policy RP4 of the adopted Local Plan and Alterations 1998 & 2006, policy DM21 of the Local Plan Submission Version 2017, and the NPPF 2019.

- 5 Following completion of the measures identified in the approved remediation scheme, and prior to the first use or occupation of the development, a verification report that demonstrates the effectiveness of the remediation carried out must be produced together with any necessary monitoring and maintenance programme and copies of any waste transfer notes relating to exported and imported soils shall be submitted to the Local Planning Authority for approval. The approved monitoring and maintenance programme shall be implemented.

Reason:- To ensure the risks from land contamination to the future users of the land

Procedure) Order 2010
PLANNING DECISION NOTICE

and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors, in accordance with policy RP4 of the adopted Local Plan and Alterations 1998 & 2006, policy DM21 of the Local Plan Submission Version 2017, and the NPPF 2019.

- 6 In the event that any evidence of potential contamination is found at any time when carrying out the approved development that was not previously identified in the Phase 2 report, work shall be suspended and additional measures for its remediation shall be submitted to and approved in writing by the local planning authority. The remediation of the site shall incorporate the approved additional measures and a verification report for all the remediation works shall be submitted to the local planning authority within 21 days of the report being completed and approved in writing by the local planning authority.

Reason:- To ensure the risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors, in accordance with policy RP4 of the adopted Local Plan and Alterations 1998 & 2006, policy DM21 of the Local Plan Submission Version 2017, and the NPPF 2019.

- 7 If any tree, shrub or hedge shown to be retained is removed, uprooted or destroyed, dies, or becomes severely damaged or diseased during development activities or within 3 years of the completion of the development, another tree, shrub or hedge of the same size and species shall be planted within 3 months at the same place. If within a period of five years from the date of planting any replacement tree, shrub or hedge is removed, uprooted or destroyed, or dies or becomes seriously damaged or defective another tree, shrub or hedge of the same species and size as that originally planted shall, within 3 months, be planted at the same place.

Reason:- To comply with the duties indicated in Section 197 of the Town and Country Planning Act 1990 as well as to safeguard the amenity of the existing trees, shrubs or hedges and to ensure a satisfactory appearance to the development, in accordance with policies LL10 and LL11 of the adopted Local Plan and Alterations 1998 & 2006, and policies DM3 and DM5 of the Local Plan Submission Version 2017, and the NPPF 2021.

- 8 Prior to any above ground works, full details of both hard and soft landscape works (including tree planting) and implementation programme (linked to the development schedule) shall be submitted to and approved in writing by the Local Planning Authority. These works shall be carried out as approved. The hard landscaping details shall include, as appropriate, and in addition to details of existing features to be retained: proposed finished levels or contours; means of enclosure; car parking layouts; other minor artefacts and structures, including signs and lighting and functional services above and below ground. The details of soft landscape works shall include plans for planting or establishment by any means and full written specifications and schedules of plants, including species, plant sizes and proposed numbers /densities where appropriate. If within a period of five years from the date of the planting or establishment of any tree, or shrub or plant, that tree, shrub, or plant or any replacement is removed, uprooted or destroyed or dies or becomes seriously damaged or defective another tree

TOWN AND COUNTRY PLANNING ACT 1990
Town and Country Planning (Development Management
Procedure) Order 2010
PLANNING DECISION NOTICE

or shrub, or plant of the same species and size as that originally planted shall be planted at the same place, unless the Local Planning Authority gives its written consent to any variation.

Reason:- To comply with the duties indicated in Section 197 of the Town and Country Planning Act 1990 so as to ensure that the details of the development of the landscaping are complementary, and to ensure a satisfactory appearance to the development, in accordance with policies CP2 and LL11 of the adopted Local Plan and Alterations 1998 & 2006, policies DM3 and DM5 of the Local Plan Submission Version 2017, and the NPPF 2019.

- 9 No development, including works of demolition or site clearance, shall take place until a Tree Protection Plan, Arboricultural Method Statement and site monitoring schedule in accordance with BS:5837:2012 (Trees in relation to design, demolition and construction - Recommendations) has been submitted to the Local Planning Authority and approved in writing. The development shall be carried out only in accordance with the approved documents.

Reason: To comply with the duties indicated in Section 197 of the Town and Country Planning Act 1990, and to enable full and proper consideration be given to the impact of the proposed development on existing trees / hedges, so as to safeguard and enhance the visual amenities of the area and to ensure a satisfactory appearance to the development in accordance with policy LL10 of the adopted Local Plan and Alterations 1998 & 2006, policies DM3 and DM5 of the Local Plan Submission Version 2017, and the NPPF 2021.

- 10 Prior to first occupation of the development, measures shall be incorporated within the development to ensure a water efficiency standard of 110 litres (or less) per person per day.

Reason: The District is classed as being in an area of severe water stress and the reduction of water use is therefore required in the interests of sustainability and in accordance with policy CP2 of the adopted Local Plan and Alterations 1998 & 2006, policy DM19 of the Local Plan Submission Version 2017, and the NPPF 2021.

- 11 Prior to preliminary ground works taking place, details of surface water disposal shall be submitted to and approved in writing by the Local Planning Authority. The development shall be implemented in accordance with such agreed details.

Reason:- To ensure satisfactory provision and disposal of surface water in the interests of Land Drainage, in accordance with policy RP3 of the adopted Local Plan and Alterations 1998 & 2006, policies DM16 and DM18 of the Local Plan Submission Version 2017, and the NPPF 2019.

- 12 No preliminary ground works shall take place until a flood risk assessment and management and maintenance plan shall be submitted to and approved by the Local Planning Authority prior to commencement of development. The assessment shall include calculations of increased run-off and associated volume of storm detention using WinDes or other similar best practice tools. The approved measures shall be carried out prior to the substantial completion of the development and shall be adequately maintained in accordance with the management and maintenance plan.

Reason:- The development is of a size where it is likely to result in increased surface water run-off, in accordance with policy U2B of the adopted Local Plan and Alterations 1998 & 2006, and policy T1 of the Local Plan Submission Version 2017, and the NPPF 2019.

- 13 Prior to any above groundworks, details and location of the parking spaces (including garages) equipped with active and/or passive Electric Vehicle Charging Point(s) shall have been submitted to and approved in writing with the Local Planning Authority (LPA). The installation of EVCP shall be completed in accordance with the approved details and made operational prior to first occupation. The details shall include:

- Location of active and passive charging infrastructure;
- Specification of charging equipment; and
- Operation/management strategy. The council will expect that a management plan for the charging points is set out clearly. This will address:
 - a) Which parking bays will have active and/or passive charging provision, including disabled parking bays;
 - b) How charging point usage will be charged amongst users;
 - c) The process and the triggers for identifying when additional passive charging points will become activated; and
 - d) Electricity supply availability. The electricity supply should be already confirmed by the Network Provider so that the supply does not need to be upgraded at a later date.

Reason: To ensure the development contributes to supporting the Council towards a low carbon future and the wider aims and objectives for reducing car-led air pollution in regard to the EFSAC, in accordance with policy CP1 of the adopted Local Plan 1998 & 2006, Policies T1 & DM22 of the Local Plan Submission Version 2017, and the NPPF 2021.

- 14 Prior to any above groundworks, a strategy to facilitate super-fast broadband for future occupants of the site shall have been submitted to and approved in writing by the Local Planning Authority (LPA). The strategy shall seek to ensure that upon occupation of a dwelling, either a landline or ducting to facilitate the provision of a broadband service to that dwelling from a site-wide network, is in place and provided as part of the initial highway works and in the construction of frontage thresholds to dwellings that abut the highway, unless evidence is put forward and agreed in writing by the LPA that technological advances for the provision of a broadband service for the majority of potential customers will no longer necessitate below ground infrastructure. The development of the site shall be carried out in accordance with the approved strategy.

Reason: To ensure the development contributes to supporting improved digital connectivity throughout the District and supports the wider aims and objectives for reducing car-led air pollution, improving the health and wellbeing of residents and visitors including the EFSAC, in accordance with policy CP1 of the adopted Local Plan 1998 & 2006, Policies D5, DM2, DM9, DM10 & DM22 of the Local Plan Submission Version 2017, and the NPPF 2021.

- 15 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (as amended) (or any other order revoking and re-enacting that order) no development permitted by virtue of Class A, B or E of Part 1 to schedule 2

TOWN AND COUNTRY PLANNING ACT 1990
Town and Country Planning (Development Management
Procedure) Order 2010
PLANNING DECISION NOTICE

shall be undertaken, without the prior written agreement of the Local Planning Authority.

Reason: To ensure further consideration is given with regards to the effect on the character and appearance of the area and living conditions on adjoining properties and Green Belt, in accordance with policies GB2A, GB7A and DBE2 of the adopted Local Plan 1998 & 2006, Policies DM4 and DM9 of the Local Plan Submission Version 2017, and the NPPF 2021.

- 16 No development shall take place until the applicant has secured the implementation of a programme of archaeological work in accordance with a written scheme of investigation, which has been submitted by the applicant and approved in writing by the planning authority.

Reason: To ensure the proposed works preserve the special architectural and historic interest of the Site,

- 17 Prior to commencement of development, details of screen walls, fences or such similar structures shall be agreed in writing by the Local Planning Authority, and shall be erected and thereafter maintained in the agreed positions before the first occupation of any of the dwellings hereby approved.

Reason: To ensure the proposed works preserve the special architectural and historic interest of the building, in accordance with policy HC12 of the adopted Local Plan and Alterations 1998 & 2006, policy DM7 of the Local Plan Submission Version 2017, and the NPPF 2021.

Informatives:

The Local Planning Authority has acted positively and proactively by entering into pre-application discussion with the applicant and in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Reason for granting permission: The proposal generally accords with the relevant policies and there were no other relevant considerations to determine otherwise.

Consent under the Building Regulations may be required for this development. Please contact the Council's Building Control section on 01992 564141 for further advice on this issue.

Notes:-

- a. **This permission is for planning purposes only and for no other purpose including Building Regulations. Separate approval may be required for these works.** Any departure from the approved plans, including any required to comply with Building Regulations, must be notified to the Planning Officer.
- b. Applicants must satisfy themselves that **all further consents** have been obtained including, where appropriate, those regarding listed buildings, advertisements, site licences for caravans, vehicular accesses to the highway, Environmental Health legislation, and Public Rights-of-Way.

TOWN AND COUNTRY PLANNING ACT 1990
Town and Country Planning (Development Management
Procedure) Order 2010
PLANNING DECISION NOTICE

- c. Applications relating to **Council-owned or former Council-owned dwellings** must meet the requirements of covenants of their lease or deeds by obtaining consent for any works from the Housing Directorate.
- d. If this application is for a new domestic or commercial premises then it is a legal requirement that the property address is registered by our street numbering and naming section. Please see the Council's Website for further details.
- e. The Council's recommended **hours of construction work** are:
 - 7.30am – 6.30pm Monday to Friday
 - 8.00am – 1.00pm Saturday
 - No noisy work on Sundays and Bank/Public Holidays
- f. The Council encourages all developers to follow the principles of **Sustainable Drainage Systems (SuDS)** in designing facilities for the handling of rainwater run-off. Furthermore, if storm drainage discharges to an existing ditch or watercourse and/or if any works are to take place to, or within 8 metres of, any open or piped watercourse, then Land Drainage Consent is required from the Council under its byelaws.
- g. Applicants are advised **not to store building materials** on the highway and not to damage highway verges, so please avoid parking construction vehicles and machinery on verges. If any damage occurs, the Council will require verges to be restored at the applicant's expense. Please be aware that highway damage is easily reported through the Council's website and will be investigated by County Council officers.

NOTES RELATING TO PLANNING APPLICATIONS TOWN AND COUNTRY PLANNING ACT 1990

- 1. If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission or approval for the proposed development, he may appeal to the Secretary of State for Communities and Local Government, in accordance with Section 78 of the Town and Country Planning Act 1990. If an Enforcement Notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against the Local Planning Authority's decision on your application, then you must do so within 28 days of the date of the Enforcement Notice or within 6 months of the date of this notice, whichever period expires earlier. In all other cases, if you want to appeal then you must do so within 6 months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Planning Inspectorate, Customer Support Unit, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. Tel: 0303 444 5000, or online at the following website: www.planningportal.gov.uk/pcs) The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the Local Planning Authority or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of any development order, and to any directions given under the order. He does not in practice refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by him. There is no time limit for appealing against a decision relating to a Certificate of Lawful Use or Development.
- 2. If permission to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State for Communities and Local Government and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
- 3. In certain circumstances, a claim may be made against the Local Planning Authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning
