Date: 14 July 2021

Reasons for Refusal

- 1 The proposed development falls within 200 metres of the Epping Forest Special Area of Conservation and fails to demonstrate nil detriment to the EFSAC as required under the Habitats Regulations 2017 and the Holohan judgement and this cannot at present be adequately demonstrated, contrary to Policy NC1 of the adopted Local Plan; DM2 and DM22 of the Local Plan Submission Version 2017 and the requirements of the Habitat Regulations 2017 and the NPPF.
- 2 The proposed development will result in the demolition of the existing bungalow and creation of two n.p. two-storey dwellings. The proposed development by reason of the loss of the bungalow fails to comply with the requirements of Policy H4A of the adopted Local Plan 1998 & 2006, Policy H1 (f) of the Local Plan Submission Version 2017, and

Paragraph 61 of the NPPF 2019. These policies seek mixed and balanced communities, which the proposed development would conflict with.

- 3 The proposed loss of existing tree cover to make way for the development would be detrimental to the character and appearance of the site and its setting within the wider streetscene and fails to enhance the quantity and quality of landscaped areas, contrary to policies LL10 and LL11 of the adopted Local Plan 1998 & 2006, policies DM9 and DM10 of the Local Plan Submission Version 2017, and the NPPF 2019.
- 4 The proposed development, due to its increased bulk, height and positioning within the site, would result in a detrimental impact on the amenities of the immediate neighbouring residents through its visual impact, contrary to Policy DBE9 of the adopted Local Plan 1998 & 2006, Policy DM 9 of the Local Plan Submission Version 2017, and the NPPF 2019.

NOTES RELATING TO PLANNING APPLICATIONS TOWN AND COUNTRY PLANNING ACT 1990

1. If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission or approval for the proposed development, he may appeal to the Secretary of State for Communities and Local Government, in accordance with Section 78 of the Town and Country Planning Act 1990. If an Enforcement Notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against the Local Planning Authority's decision on your application, then you must do so within 28 days of the date of the Enforcement Notice or within 6 months of the date of this notice, whichever period expires earlier. In all other cases, if you want to appeal then you must do so within 6 months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Planning Inspectorate, Customer Support Unit, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. Tel: 0303 444 5000, or online at the following website: www.planningportal.gov.uk/pes) The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the Local Planning Authority or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of any development order, and to any directions given under the order. He does not in practice refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by him. There is no time limit for appealing against a decision relating to a Certificate of Lawful Use or Development.
2. If permission to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State for Communities and Local Government and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
