Subject: : Bushes, Wind Hill planning application (EPF/1787/21)

FYI

I have no objections with the Application and have no further comments.
However if planning permission is granted, you may wish to consider restricting the stables, gym and pool area to be domestic use only.

If permission is given for livery use, additional conditions may need to be considered to protect the Amenity of the neighbouring noise sensitive properties.

COVID-19 Message

The Community Resilience Team will not be carrying out home visits during the current government lockdown period. This is to help minimise the risk of cross contamination to both our residents and our officers.
We will continue to record all complaints, provide advice, investigate anti-social behaviour, CCTV and enviro-crime to record any disturbance residents are experiencing.

For reporting of new issues please visit our website at [Crime and safety – Epping Forest District Council](https://www.eppingforestdc.gov.uk)
([eppingforestdc.gov.uk](https://www.eppingforestdc.gov.uk))
