EPF/2233/21	CLD	56 A Westbury Lane Buckhurst Hill IG9 5PW Application for a Certificate of Lawful Development for garage conversion and loft conversion with rear dormer and front roof lights. <b>Committee would like more information on this application to be able to determine if it fulfils the requirement for a CLD.</b> <b>Members believe it significantly changes the street scene and questions if it's a loft conversion or a new floor. The drawings appear inaccurate in comparison with the photographs.</b> <b>Therefore, in order to determine if it's lawful for these reasons it defers to the Planning Officer to consider.</b>	Sonia Krishnan
