Date: 05 January 2022

Reasons for Refusal

- 1 The proposal would constitute overdevelopment and intensification of this prominent site, causing harm to the character of the area, contrary to policies CP2 and DBE1 of the adopted Local Plan and Alterations, policies SP 2 and DM 9 of the Submission Version Local Plan (2017), and the guidance contained within the National Planning Policy Framework.
- 2 Due to insufficient parking associated with the development, the proposal would cause increased parking stress in the area through the displacement of vehicles to surrounding roads, contrary to policy ST6 of the adopted Local Plan and Alterations, policy T 1 of the Submission Version Local Plan (2017), and the guidance contained

within the National Planning Policy Framework.

- 3 The precedent set by the proposal and combined impact from this development, along with associated development and other nearby pending applications, would increase the pressure on transport, parking and services within the area and has not been adequately addressed, contrary to policies CP2 and ST1 of the adopted Local Plan and Alterations, policies SP 2, T 1 and P 7 of the Submission Version Local Plan (2017), and the guidance contained within the National Planning Policy Framework.
- 4 In the absence of a completed Section 106 planning obligation the proposed development fails to mitigate against the adverse impact that it will have on the Epping Forest Special Area for Conservation in terms of recreational pressure and air pollution. Failure to secure such mitigation is contrary to policies CP1 and CP6 of the adopted Local Plan 1998 & 2006, Policies DM2 and DM22 of the Local Plan Submission Version 2017, Paragraph 180 of the NPPF 2021, and the requirements of the Habitats Regulations 2017.

NOTES RELATING TO PLANNING APPLICATIONS TOWN AND COUNTRY PLANNING ACT 1990

1. If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission or approval for the proposed development, he may appeal to the Secretary of State for Communities and Local Government, in accordance with Section 78 of the Town and Country Planning Act 1990. If an Enforcement Notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against the Local Planning Authority's decision on your application, then you must do so within 28 days of the date of the Enforcement Notice or within 6 months of the date of this notice, whichever period expires earlier. In all other cases, if you want to appeal then you must do so within 6 months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Planning Inspectorate, Customer Support Unit, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. Tel: 0303 444 5000, or online at the following website: www.planningportal.gov.uk/pcs) The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the Local Planning Authority or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of any development order, and to any directions given under the order. He does not in practice refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by him. There is no time limit for appealing against a decision relating to a Certificate of Lawful Use or Development.
2. If permission to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State for Communities and Local Government and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
3. In certain circumstances, a claim may be made against the Local Planning Authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting
