Please find below the parish councils comments relating to the following application:

EPF/1529/21 - 8 The Magpies, Removal of existing conservatory and erection of part single storey and part two storey rear extensions.

OBJECTION - Overdevelopment of the building, the double storey aspect will be too dominant, a single storey would be more in keeping with the surrounding buildings.

There is also a concern raised about the silver birch tree marked on the existing plan and not shown on the proposed plans.

Many Thanks

Steph Duffy
