N. Richardson
Planning Services Director.

Date: 27 April 2022

Reasons for Refusal

- 1 The proposal, due to the change of use to residential garden, introduction of additional residential paraphernalia, and the urbanisation effect, would represent inappropriate development in the Green Belt and would result in a loss of openness for which no case of very special circumstances has been advanced to outweigh the identified harm. The proposal is therefore contrary to policy GB2A of the Local Plan (1998/2006), policy DM 4 of the Submission Version of the Local Plan (2017) and the National Planning Policy Framework (2019).
- 2 In the absence of a completed planning obligation, the proposed development fails to

Failure to secure such mitigation is contrary to policies CP1 and CP6 of the adopted Local Plan 1998 & 2006, Policies DM 2 and DM 22 of the Local Plan Submission Version 2017, Paragraph 180 of the NPPF 2021, and the requirements of the Habitats Regulations 2017.

NOTES RELATING TO PLANNING APPLICATIONS TOWN AND COUNTRY PLANNING ACT 1990

1. If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission or approval for the proposed development, he may appeal to the Secretary of State for Communities and Local Government, in accordance with Section 78 of the Town and Country Planning Act 1990. If an Enforcement Notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against the Local Planning Authority's decision on your application, then you must do so within 28 days of the date of the Enforcement Notice or within 6 months of the date of this notice, whichever period expires earlier. In all other cases, if you want to appeal then you must do so within 6 months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Planning Inspectorate, Customer Support Unit, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. Tel: 0303 444 5000, or online at the following website: www.planningportal.gov.uk/pes) The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the Local Planning Authority or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of any development order, and to any directions given under the order. He does not in practice refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by him. There is no time limit for appealing against a decision relating to a Certificate of Lawful Use or Development.
2. If permission to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State for Communities and Local Government and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
3. In certain circumstances, a claim may be made against the Local Planning Authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.
