

Note
This drawing is not to be scaled. Use figured dimensions only. All dimensions are to be checked on site and any discrepancies, errors or omissions are to be reported to the architect prior to commencement of works.

- NOTES:
1. Upgrade walls to serve as Party Walls or Separating Walls to provide acoustic and fire compartmentation. In accordance with Historic England recommendations, SPG19 for Brighton & Hove City Council, and other specialist reports.
 2. Create new opening in existing original wall, to form doorway for instance. Creating new openings in panelled walls are avoided, but where not possible, new openings to be concealed "jib" doors, frameless, neatly cut into panelling.
 3. Close up existing opening, eg doorway. Where historic, left in situ with architraves and linings, locked shut and rendered 1 hour fire resisting on the risk side.
 4. Open out, remove later additions (eg to expose chimney breast). (Largely completed with Conservation Officer approval).
 5. Divide room up - Where possible as "pod", terminating below ceiling. Or recreate corning, skirting and door architraves.
 6. -
 7. -
 8. -
 9. Upgrade floor to form separating floor - 1 hour fire protection, and acoustic separation. In accordance with advice as in item 1.
 10. -
