**VIEWS OF CHIGWELL PARISH COUNCIL (MEETING DATE: 23rd JANUARY 2020)
SUBMITTED BY THE CLERK TO THE COUNCIL – ANTHONY-LOUIS BELGRAVE**

The Council ***STRONGLY OBJECTS*** to this application, because the proposed burial ground is still excessively close to existing residential housing. There is still an insufficient number of parking bays and the proposed development would reduce the openness of the Metropolitan Green Belt and contribute to an undesirable urban sprawl. There are also severe concerns pertaining to the detrimental impact upon the surrounding ecology and natural habitat of this locality. Further, the committee recognises this development would result in an undesired increase in vehicular traffic flow, further the proposed access is unsuitable and poorly sighted.

COMMENTS WILL BE CONFIRMED AT THE MEETING DATE: 5th FEBRUARY 2020

Date: 24th JANUARY 2020
