### 5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

11 Lyndhurst Rise is an HMO that been licensed by Epping Forest District Council (primary case manager is Paula Black) since 2014. The current HMO license covers the use of the property by 6 occupants.

This proposal seeks to extend the HMO license to cover 7 occupants.

There are already 7 bedrooms in the property, though one is currently unoccupied and empty (Study, labelled 1 on the plans). This unoccupied room is currently smaller than the council's minimum occupancy size of 6.51 square meters. If permission is granted, the room will be extended such that it is larger than the minimum council requirement (see green shading labelled 2 on the plans).

The current living space is enough for more than 7 occupants. There are two kitchens, with two gas ovens, two sinks, two fridge-freezers, and more than two cupboards available per occupant for storage of food and kitchen utensils. The living /dining room measures more than 20.45 square meters, and the property already has a LD3 coverage fire system installed. Fire doors have already been installed that meet existing legal requirements, including a minimum 30 minutes fire resistance. There are three bathrooms in the property. One has a toilet with washbasin, one with a toilet and shower, and the final with a toilet, shower, and bath.

Has the work or change of use already started?
