### Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Agree

Please explain your choice in Question 1:

I agree if hospitals, Doctors, Police, Fire personal parking areas are made available without harm to existing people in the areas proposed. If Loughton and Debden railway parking sites are used to build houses, where are commuters going to park in order to use the tube? Roads in the areas proposed are all busy most of everyday.

Agree

Please explain your choice in Question 5:

Dear Sir/Madam, I do not think the plan for more houses has been thought out clearly. All we hear is we need more houses with more houses we have more families moving into the area but we don't have the hospitals, schools, police, firemen and doctors. Where will people park to use the tube if you build on the car parks? We already have trouble with drains in the area. Our roads and pavements are a disgrace. I do not think the plans are viable and well thought out.
