2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

**Strongly disagree**

Please explain your choice in Question 2:

I understand homes are needed in the area and I do not object to housing being built, but I do object to the amount proposed under the plan. It will destroy our village, reducing the amount of green space for residents. The surrounding area cannot cope with the proposed increase in housing, local infrastructure would be overwhelmed. Epping Station is already massively overcrowded and other transport links would struggle to cope. The current GP surgery is already over subscribed and cannot cope with demand. The local Ambulance Station has already closed, I believe Epping Fire Station is only staffed by volunteers and many years ago we lost our village Police Officer. Princess Alexandra Hospital is already over stretched. Why is it necessary to build a Travellers Site when there already appears to have been once erected in Thornwood? Would our local schools cope with the increase in students? Those who live here like village life and do not wish to become part of the surround larger towns such as Harlow.
