Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 1:

The roads are already very busy and there is no infra structure to support such a large number of new buildings in North Weald. The metro from Epping is already stretched, the number of people now travelling has increased tremendously since I started commuting 40 odd years ago. There is limited parking after 0700hrs at or near Epping Metro Station

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Disagree

Please explain your choice in Question 2:

If this building is allowed we will be joined to Harlow, which is not why I moved to this area. North Weald will lose its identity. The amenities present and those proposed are inadequate.

3. Do you agree with the proposals for development around Harlow?

Agree

Please explain your choice in Question 3:

This area is a new town which is ever expanding and has room on the outskirts to be developed further plus it has the amenities and infrastructure in place to support further building
