### Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

**Strongly disagree**

Please explain your choice in Question 1:

**Roydon does not have the infrastructure to cope with the increase in traffic. The bottle neck, that is the problem for residents, is the high st leading to the level crossing. Cars park all the way down, narrowing the road, the level crossing causes traffic problems. It is a conservation area so and rightly so, but unable to take any further traffic. If there was plan to take traffic away from the heart of the village, the extra housing would not have a major effect and could possibly be a good thing. As the roads are laid out completely unworkable.**
