### Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

**Strongly disagree**

Please explain your choice in Question 1:

**Protecting the green belt by building on some of it? Infrastructure; no indication how we are going to deal with all the extra people with already overloaded existing infrastructure. What sort of housing does Epping need as opposed to what developers want to build.**

---

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

**Strongly disagree**

Please explain your choice in Question 2:

**It is a massive expansion of Epping. Better scaled development within the borders of the town. More expansion within Harlow which is a lot better placed to deal with the expansion.**

---

3. Do you agree with the proposals for development around Harlow?

**Disagree**

Please explain your choice in Question 3:

**Development of Harlow shouldn't sacrifice green belt land.**

7. Do you agree with the approach to infrastructure provision being proposed in the plan?

**Strongly disagree**

Please explain your choice in Question 7:

**Absolutely no detail. All very vague. We need to know what the infrastructure will be to support the scale of development. You cannot make the judgement on what is proposed without it. This is one of the biggest failings of the plan!**
