I live on Limes Farm...Redacted... The gardens of local houses are very small and consequently the grassy areas are extensively used by residents for recreation, playing with young children, exercising dogs, occasional picnics etc. These areas are highly valued by local residents and the proposal to build on them has caused great concern and resentment. It must be understood that these green spaces are a very highly valued amenity in a densely populated area and their preservation is of the utmost importance to the health and well-being of a very large number of residents.
