Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Disagree

Please explain your choice in Question 1:

The population for the area does not need to expand at the rate suggested. This assumes many people coming from outside the district; rather than natural increase.

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 2:

Loughton already has a high enough density of housing. Building on the green spaces such as Jessel green would change the rural nature of the town.

3. Do you agree with the proposals for development around Harlow?

Strongly agree

Please explain your choice in Question 3:

This area is ripe for development.
