Loughton (Draft Policy P 2)

No

Please provide reasons for your view on Loughton:

I agree with all sites But the jessel green site. This green is used by so many of the local people. Children, play groups, fitness clubs, air ambulance. Its where you go when it snows. The annual summer fete the play scheme for the kids in the summer. You will take away the heart of the community if you take away its area to play and meet. Also it floods at the bottom its always wet. This protects the houses around the green from flooding. There is a stream under the green that used to end in a pond where the cottage loaf is situated. It would be irresponsible to place housing on this area this will course flood issue to surrounding roads and houses. Obesity is a major government concern there is a major incress in rickets in children (lack of vit d

from sunlight). Take away the places for us to exercise and safe places for our children to play and you add to this crisis.
