Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 1:

Your plan is to pack as many houses into the whatever spaces that you can grab, by building on car parks, village greens etc, this area is overpopulated as it is, what about transport, schools doctors etc these are not going to be able to cope with a new influx of people and houses, it is just too much. Do not release greenbelt land, we will end up a London borough.

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 2:

Common sense there is not enough room for you to cram a lot of houses into small spaces, not when you could start a new village perhaps in Harlow where there is plenty of open space.

3. Do you agree with the proposals for development around Harlow?

Strongly agree

Please explain your choice in Question 3:

There is enough open space in Harlow to do this.
