Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 1:

North Weald is not big enough to sustain that many new houses. Whilst you may have plans to improve the infrastructure if there isn't enough land available for more schools, Gps and health care, Roads, Shops etc. It really is impractical. Also there isn't enough money for services now so where would all this money come from??

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 2:

As said previously North Weald is not suitable to be changed enough to support that many people.

3. Do you agree with the proposals for development around Harlow?

Disagree

Please explain your choice in Question 3:

The roads are already congested

7. Do you agree with the approach to infrastructure provision being proposed in the plan?

Disagree

Please explain your choice in Question 7:

You say that you will improve the schools etc, but where exactly would you put them? There is not enough land in North Weald to keep building the sort of infra structure needed.

8. An Interim Sustainability Appraisal has been commissioned to support the Draft Local Plan. We would welcome any comments you may have on this.
