### Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

**Strongly disagree**

Please explain your choice in Question 1:

There is already too many houses and people living in this area. The station car parks are for people to get to work and not for flats to be built on. The doctors surgeries are already full and we have to wait 4 weeks for an appointment. The schools are full and it does not bode well to have over thirty children in a class. Also I would like my grandchildren to see green spaces and not disappear. Everyone I speak with agrees with me. You are not looking after the people of Loughton and surrounding areas just ticking boxes for the government. This plan is far too much and will not be good for the area.

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

**Disagree**

Please explain your choice in Question 2:

You are still adding too many houses and flats to the existing areas and still trying to justify using the green belt.

---

3. Do you agree with the proposals for development around Harlow?

**No opinion**

Please explain your choice in Question 3:

I do not live in Harlow, but feel very sorry for the people that do.
