Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 1:

As a school governor , working at the local hospital and as a resident. It takes 4 weeks for me to get a GP appointment. Patients have to wait 2 months to attend my clinic and my kids go to a school with over 400 children where they have to have music lessons in a corridor outside the toilets. We do not have the infrastructure to support the proposed developments.

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

No, we already have an underfunded , dilapidated sports centre. There is not enough parking for commuters and workers from the high street. I experience this first hand we had to fight for years to get 'residents parking'
