No

Please provide reasons for your view on North Weald Bassett:

I have lived on Limes Farm Estate for 46 years with my family. The Estate has had its problems with anti social behavior. To take away our green spaces and build 210 homes and make it a concrete jungle would only add to the problem. The doctors , schools and transport would not be able to cope with more residents. At present in rush hour manor road and fencepiece road is already like a car park and more vehicles on the road from the additional residents would just add to this. Instead build houses required by government quota as per the plan drawn up by Grange Hill. parish council.
