Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Disagree

Please explain your choice in Question 1:

I agree with protecting the green belt but feel that services and parking provision in Buckhurst Hill are struggling to cope with the population we already have, the area can't cope with more housing

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Disagree

Please explain your choice in Question 2:

Disagree slightly! I don't like the thought of chipping away at any of the green belt but agree that there is room around Harlow for more housing

3. Do you agree with the proposals for development around Harlow?

Agree

Please explain your choice in Question 3:

I hope the transport provision includes really good access to Harlow Station so that new housing doesn't result in increase of commuter traffic through Epping

The Central Line is so overcrowded now that it is dangerous and needs a total review. I understand that this is not in EFDC remit, but should be considered before housing increases commuter numbers in Epping, Debden, Loughton and Buckhurst Hill
