Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Agree

Please explain your choice in Question 1:

I appreciate the need for new homes. But I am very concerned that there is not the infrastructure to cope with them and that none of them will be "affordable".

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Disagree

Please explain your choice in Question 2:

As a resident of **...Redacted...** I am pleased to note that no further pressure will be put on the green spaces, roads, schools and doctors on this side of town. However, I am still concerned at the amount of space allocated for housing in Epping Town. The roads and transport links are already operating far beyond capacity and this would only make matters worse. As a user of North Weald airfield for a number of activities I would like to see this historic space kept open for community amenities.

3. Do you agree with the proposals for development around Harlow?

No opinion
