Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 1:

I can not believe that the local train stations will lose their car parks for housing. This is absolutely ridiculous as its hard enough to park anyway. You are also proposing using the Trapps Hill car park that is a very busy car park for the High Street, swimming pool, library and church. Where do you propose people park ?
