Letter or Email Response:

I am writing to inform you that **...Redacted...** We support the allocation of the land in this and forthcoming versions of the Local Plan, should that be the council's decision. Further, we confirm that if the area is allocated in the final adopted Local Plan, we will work, collaboratively to bring forward the site in a comprehensive way. This is to ensure the timely provision of necessary common infrastructure, and to bring about the early and sustainable development of the land.
