Letter or Email Response:

I am writing to express how upset I am to hear about the proposed housing for North Weald. The reason we chose North Weald to live is because it was a Village, these proposed new houses will mean that the population will nearly double. I am worried about the infrastructure also the village has one road in and out and suffers considerably if there have been roadworks or even a delivery taking place at The Co-op, it would not cope with double the amount of traffic. Also taking away the beautiful open spaces is heart breaking not to mention the historical airfield. I am not very good at wording emails but I am passionate about keeping North Weald as it is.
