Letter or Email Response:

I am appalled by the proposed buildings on Loughton's open spaces! Have you even considered what it is going to do to Loughton with all the lorries coming and going whilst all these proposed works are being carried out! Traffic is horrendous as it is! Building on all our car parks, where the hell are we all supposed to park! Our leisure centre will end up closing due to building works being carried out! Our library will also be affected and the children's playground next door. The doctors are at breaking point, appointments are like gold dust! All these new homes will put an even bigger strain on our doctors! Our local shops will be affected with many businesses closing, which will mean job losses. You can't keep building on open spaces! I hope you reconsider this absurd proposal before Loughton loses its identity forever!
