### Letter or Email Response:

I act on behalf of the freehold owners and occupiers of the land within Fyfield which is identified within the EFDC draft plan as site SR-0049. My client acknowledges the proposed allocation of this site within the plan, for residential use. I confirm they are willing and able to proceed and that they are in discussion with potential partners who could deliver a development promptly, within the proposed timescales. My client endorses the proposal which would enhance the sustainability of services and facilities within Fyfield.
