Draft Local Plan - Public Consultation Car park next to Loughton Library in Traps Hill is too small. More parking space is needed not less. I tried to park there last Sunday to go to Loughton Farmers market. No space. Went to Wanstead market instead where I could park. Your loss Epping Forest DC. You want to build there and drive away people to spend their money in businesses in your town then good luck to you. Jessel Green is needed as a public urban space. I enjoy jogging there where I see many other people using it for similar purposes. Such places are essential for peoples health. Once lost it will never be there to ensure that a healthy lifestyle can be maintained.
