This document has been created using information from the Council's database of responses to the Draft Local Plan Consultation 2016. Some elements of the full response such as formatting and images may not appear accurately. Should you wish to review the original response, please contact the Planning Policy team: ldfconsult@eppingforestdc.gov.uk

Letter or Email Response:

Dear Sirs I write to strongly oppose the proposed draft planes for all the areas in Chigwell area, including; 1. Former Beis Shammai School. 2. Chigwell Nurseries 3. Former Grange Farm 4. Rolls Park 5. Waste Transfer Facility 6. Developments in Grange Hill 7. Frogmore Lane 8. Limes Farm 9. Developments in Chigwell Row 10. Millers Lane 11. Gravel Lane 12. Camping Grounds 13. Chase Lane Paddock 14. The Maypole The Chigwell area is already far too congested with continuous traffic issues and we endure long waiting times for our public services and appalling road conditions maintenance. The services provided by Epping Forest Council are therefore already unable to provide anything near an adequate service to the current Chigwell area population so any increase in the population will make these matters worse, so must be opposed. It is also vital all of our green spaces are maintained so they continue to be made available for the Chigwell community and our wildlife so we can all maintain a healthy and active lifestyle as Chigwell area residence. This current draft planning proposals put forward by Epping Forest Planning are an insult to the local residence as, if approved, they will irreversibly damage beyond recognition the Chigwell area and the quality of life for everyone in every lifestyle aspect. It will also remove forever the suburban aspect of Chigwell area, which the residence moved here to enjoy and currently love. Unfortunately for us residence, Epping Forest Planning are renowned for being unethical, inept and uninterested when challenged about issues Epping Forest Planning have caused. I personally have absolutely no faith in these proposals and believe they are not in Chigwell communities best interest. Epping Forest Council & Planning must stop thinking about how they can **...Redacted...** potentially coming their way and vigorously OPPOSE these planned proposals and prevent Chigwell area from being overwhelmed and overcrowded. Epping Forest Council & Planning should also focus on improving our roads and services for the current residence before it focuses on introducing thousands of unwanted additional residents into our community!!! I also hear that Epping Forest Planning have tried to hide a massive proposed development on the Woolston Manor estate, which is now public knowledge. I strongly oppose all of the planning developments proposed by Epping Forest Planning!!
Regards James Crouch
