Letter or Email Response:

Dear Sir/Madam, with reference to the above I would like to comment on your proposed site SR-0557 for Limes Estate. The introduction of 210 homes in one place will put an undue burden on the local infrastructure ie. health facilities and schools. It will remove what is currently an important public open space and will eliminate in one move what is currently one of the important aspects of living in Grange Hill and that is the views of London, which is appreciated by motorists and pedestrians alike when going along Manor Road.
