### Letter or Email Response:

Dear Sir/Madam I am writing this letter opposing plans of 195 houses on Jessell Green. My family and I are STRONGLY Against any houses being built on this lovely open space. My Son has practically grown up on this green and he plays there most days. I often use the green to exercise, running, walking etc, We take our grandchildren there to play and ride their bikes, in the summer we take picnics and meet friends with the kids. We have had great days there in the snow, Sledging , making giant snowballs and having fun. I don't know what we would do without it. Why would anyone want to stop a community using this great open space is beyond me ! We don't want any more houses built on any green in Debden, especially Jessell Green. More houses will cause more strain on the schools, Doctors, Dentist, Jobs, Parking, Ect, we do not need any more strain in Debden.
