Letter or Email Response:

Dear Sir / Madam I am writing to you with the strongest objection to this latest plan to build thousands of new homes in Epping. In particular area SR-0132Ci, which takes in cricket, bowls, tennis clubs, which has served our community for 120 years. It is outrageous to take away sports facilities when there is precious little in the area. We personally, in Bury Road, **...Redacted...** enjoy the sports on our doorstep. Closing Lower Bury Lane has created a safe transit for children walking to school. Opening it up again would cause mayhem, it is only a lane, with no pavements, it would be extremely dangerous. Has it not occurred to people who plan these schemes, the pressure it will put on essential services, schools, doctors, dentists, hospitals and policing. It is virtually impossible to get an appointment to see a doctor, or visit A & E, one would have to be on deaths door. Finally please consider the local environment and the history of Epping and preserve what little we have for our future generations. Yours faithfully, **...Redacted...**
