### Letter or Email Response:

We've just been informed about a possible large housing development being considered for the Old House Lane area of Roydon. I am dismayed by the large scale plans and would like to express our concern and objection to it. Over our last 10 years of living in Roydon we have noticed the gradual spread and development of sites that if continued, will destroy the area's character. Please could you take the existing residents' concerns into consideration. Thank you for your attention.
