Letter or Email Response:

To whom this may concern, I am a resident of **...REDACTED...**, and I am writing to you to express my view that I do not want new builds in our Green spaces, namely 'Jessel Green' and 'Rockford Green'. These green spaces are crucial for a variety of activities such as games, exercise, picnics, walking dogs, socialising and specifically for my grandchildren to freely run around, when I look after them in the summer and much more. As the greens were strategically placed in these areas to facilitate the mental and physical health of its residents. I am extremely disturbed to hear of the intention to build in these spaces. Therefore I hope that you listen to the various voices and also those who have not been able to send it letters. I would like to say that I categorically do not want any new builds in our precious green spaces. Yours faithfully, **...REDACTED...**
