### Letter or Email Response:

To whom it may concern, I cannot state how disappointed myself and everyone I have spoken to in the local area of Debden, Loughton, Buckhurst Hill, Theydon Boys, Epping and other nearby towns are with the thought, let alone planning permission potentially being granted for this area for building on the historical green spaces. Any of the plans to build on the greens is unacceptable to which no one in the local area wants and certainly does not need. This will completely spoil the area's asthetical natural beauty and the local infrastructure cannot cope with the additional requirements which would be deemed necessary for potential new developments. To end, the local area cannot cope and the local residents think this would be a detriment with no benefit, so we strongly urge the plans to not come to fruition. "If it is not broke, do not fix it." Regards Laura Wood
