Letter or Email Response:

I write to express my objection to the proposed building of 210 houses on the green land on Limes Farm Estate. I have lived on Limes Farm for **...Redacted...**. Every day people use that land for exercising, walking dogs, playing with children etc. In addition I believe that the extra vehicular traffic, which would inevitably come with the extra homes, would be dangerous and would cause even more congestion at the sole point of entry/exit at Fencepiece Road. In addition, the extra numbers would create serious problems for focal schools and medical facilities.
