### Letter or Email Response:

I would like to state my opposition to your plans to build on Jessel Green and several other locations. You are not considering the people already living in the area, who love the green and open spaces. We moved here from London for that reason 40 years ago and my children and new grandchildren enjoy these places. also myself and lots of other people enjoy walking our dogs on these lovely green areas. Lots of other activities go on e.g. sledging in the winter- the kids love and the annual team games on Jessel Green
