### Letter or Email Response:

I strongly oppose building on Jessel Green as I moved there in 1984 for the lovely green open spaces and wish the green to be left for walking, running, children playing, community events, fun days, picnics, dog walking etc. Debden and Loughton are very populated and there are very little green spaces left. If you take our green spaces away for housing it would be a great shame. I do hope you will think twice.
