This document has been created using information from the Council's database of responses to the Draft Local Plan Consultation 2016. Some elements of the full response such as formatting and images may not appear accurately. Should you wish to review the original response, please contact the Planning Policy team: ldfconsult@eppingforestdc.gov.uk

Letter or Email Response:

I often use Jessel green field to walk my dog and play ball games with my children and their friends. There aren't any other areas that we can use that are central for the whole community. Building that monstrosity on the Winston Churchill site is already a massive eyesore in the area. Take some of the Greenland away in Cleland path and Pyrles land to make adequate parking facilities. Don't waste money putting up stupid signers thanking people for visiting Epping forest fill in the potholes in the road and finance a already stretched NHS service I can't get a doctors appointment at Pyrles lane surgery as they are already over booked more housing = more people = more cars on the roads = blocked up #Debden
