Letter or Email Response:

I have lived in Loughton from the age of 7 and I am 75. What I would like to bring to your attention I walk over Luctons field to go to Broadway shopping and also walk over Jessel green where my daughter and grandson live in Collard Avenue where my grandson plays on the green with his bike also plays football. Blood pressure and cholesterol down. Also my husband has COPD and arthritis in his knee by stopping 175-20 bus that's Mondays he will not be able to visit our grandson of 8. The roads are not fit for more traffic as they all need renewing and what about pollution. Suggestions for alternative sites: Catholic church at the end of Collards Avenue And when are they going to build 3 part on middle school. Alternative site instead of building a retail park build more houses there as they can build sky high flats like where Church hill pub was.
