Letter or Email Response:

Please see my objections to the Draft Local Plan below. I live with my family in Loughton, but lived for many years in Waltham Abbey. I'm very concerned about the proposals and the effect it will have on my family, other families, the local community and local area:

- How are you planning to address the lack of infrastructure (schools, GP surgeries, public transport), given the proposed enormous increase in new homes - 11400? How are you planning to ensure this doesn't have a significantly detrimental effect on my family and other local families?
- I'm very concerned about proposals to build on green spaces (and historical sites) in Loughton and also in Waltham Abbey. Surely, we should continue to protect these areas and sites?
- I'm also concerned about any impact on community centres and youth clubs, as well as the plans for Waltham Abbey Fire Station.
