My name is **...Redacted...** and I am **...Redacted...** years old. I have lived at **...Redacted...** all of my life. I live opposite Jessel Green and I like that it is a large open space for everyone to use. My friends use it for walking their dogs, we see people flying kites at the top of the hill and it's a great place for children to play safely, away from busy roads. When I was at primary school, I loved having some of my lessons on the green. It is also a useful landing area for air ambulances. The air ambulance has landed on Jessel Green five times this year alone. If it could not land on the green, the people it helped may not have survived. I think it would be better if you built a new garden village somewhere else and let us keep Jessel Green. If you build houses there, you will be taking away people's enjoyment. PLEASE DON'T DESTROY OUR GREEN! Yours faithfully **...Redacted...**
