Complies with the duty to co-operate? No

Please give details either of why you consider the Submission Version of the Local Plan is not legally compliant, is unsound or fails to comply with the duty to co-operate; or of why the Submission Version of the Local Plan is legally compliant, is sound or complies with the duty to co-operate.

Please be as precise as possible. Please use this box to set out your comments.

The shop owners of sumners have not been informed of any meetings or any plans, from what we gather we haven't been considered at all. By the sounds of hearsay we might loose our shops, businesses and livelyhoods, no one knows if we will be offered another premises. I own a relatively new business and love the community i service, i (like all of the shop owners) have put a lot of hard work into my business. You say you want to encourage start ups and small businesses however you haven't actually spoken to them. And i can bet that any new premise would be at a high rent rate. The local MP never replied to my email asking about all of this. Im happy to move to a new shop, i just want to know we are being considered and that we will have the option to stay locally.

Please set out what change(s) you consider necessary to make the Pre Submission Local Plan legally compliant or sound, having regard to the test you have identified in the question above (Positively prepared/Justified/ Effective/ Consistent with National Policy) where this relates to soundness. You will need to say why this change will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

That the current shop owners will be considered and allowed to stay in the area, or given an adequate alternative .

If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at oral examination

If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:
