The vast majority of those who live on Limes Farm are against this development. Indeed the local district council has put forward other sites that are better suited.

Are you going to deprive the residents of Limes a Farm the one small piece of greenery available to them?

Please set out what change(s) you consider necessary to make the Pre Submission Local Plan legally compliant or sound, having regard to the test you have identified in the question above (Positively prepared/Justified/ Effective/ Consistent with National Policy) where this relates to soundness. You will need to say why this change will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

I understand that Redrow are proposing a site in Theydon Bois.

Additionally why not explore the possibility of Chigwell Row as put forward by the district council.

If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at oral examination

If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Please let us know if you wish to be notified when the Epping Forest District Local Plan is submitted for independent examination

Yes
