Dear Sirs

Proposals for North Weald Golf Club, North Weald Bassett, Epping, CM16 6AR

This is a scheme which responds to the needs of the local community. This is evident by the local sports clubs involved and the response at the public exhibitions which the developer has taken the time to organise.

There is a housing shortage and this provides an opportunity to not only help address this but also provide some affordable housing in the area, which will help young families. I would really like to see this scheme come forward so that we can help ensure that young people have homes to live in where they want them.

Kind Regards
